## Message from the Cathaoirleach of Kilkenny and Carlow Education and Training Board

I welcome the *Service Plan 2023* for Kilkenny and Carlow Education and Training Board (KCETB) which sets out a range of objectives for the delivery of our services in the second year of our *Statement of Strategy 2022-2026*.

This Service Plan provides for the delivery of a range of objectives in schools, further education and training, and within the corporate organisational structure itself. The Plan is set within the context of the strategic goals of teaching, learning and quality services, building influence and impact, developing a strong team and organisation, and promoting external partnership and innovation as set out in the Statement of Strategy.

The external environment within which KCETB operates is ever-changing and this has a bearing on its annual priorities. The *Service Plan 2023* seeks to enhance development across all areas of service provision to ensure a co-ordinated response to local demand for services. One unanticipated response was required in 2022 following the arrival of Ukrainian children and adults to all parts of Ireland, including Kilkenny and Carlow. We are indebted to the local communities for the welcome extended, and to the staff of KCETB who provided educational supports to them.

Credit is due to those in KCETB who have contributed to maintaining services and achieving service delivery targets in an increasingly challenging business environment. I would like to express my appreciation to the executive team, members of the board, and the members of the Finance Committee for their work in the preparation of the KCETB Service Plan 2023.

I look forward to working with the members of the board, and the executive team, to ensure the advancement of the objectives set out as we “*enable learners to achieve their potential through education and participate in the life of our area, and of the country*”.

**Cllr. Fergal Browne**  
**Cathaoirleach**

## Foreword by the Chief Executive

On behalf of Kilkenny and Carlow Education and Training Board, I am pleased to present the Service Plan for 2023. The KCETB Board adopted the plan on the 14 February 2023, in line with the requirements of the *Education and Training Boards Act 2013, section 47*.

The Service Plan 2023 is based on the objectives and actions set out in the *Statement of Strategy 2022-2026* and highlights a series of priorities which will underpin the work of KCETB during the current year.

KCETB plays a crucial role in the educational, economic and community life of counties Kilkenny and Carlow. This Service Plan includes details of the services KCETB proposes to provide in 2023, and an estimate of the income and expenditure for the period.

The chief executive and three directors form the executive management team which has responsibility for the governance and strategic leadership of KCETB. The leadership team within each directorate plays an important role in devising the Service Plan and in monitoring its implementation.

The purpose of the Plan is to present a clear, structured framework for the implementation of the strategic and operational objectives of KCETB during 2023. This framework sets out priorities and targets which will ensure focused and responsive delivery.

As an organisation, our aim is to continue to build a strong, robust organisation with the capacity and potential to support our education, training and support services as we build our influence, promote our services and extend our reach. (*Statement of Strategy 2022-2026 p.10*).

In accordance with the requirements set out in the 2013 Act and in the *Code of Practice for Governance of ETBs (Circular Letter 003/2019)*, KCETB will continue to offer quality services and endeavour to operate within the expenditure limits set by the Department of Education, the Department of Further and Higher Education, Research, Innovation and Science, and SOLAS. This continues to be challenging as the demand for services increases and operating costs continue to rise.

The executive team is committed to working with the KCETB Board to meet the opportunities ahead and to continue to provide the best possible education and training services to the people of Kilkenny and Carlow. As a learning organisation, our aspiration for all our learners is that they *Flourish through Learning* with KCETB.

**Eileen Curtis**  
**Chief Executive**

## 1. Profile / Background of Kilkenny and Carlow ETB

Kilkenny and Carlow Education and Training Board (KCETB) was established on 1 July 2013 under the Education and Training Boards Act, 2013. KCETB has a corporate structure which is made up of a democratically-appointed board and an executive management team.

KCETB serves the geographical area of Kilkenny and Carlow with a combined population of circa 156,000 people and provides a comprehensive range of quality education, training and support services. All programmes are designed to meet the needs of young people and adults throughout the region.

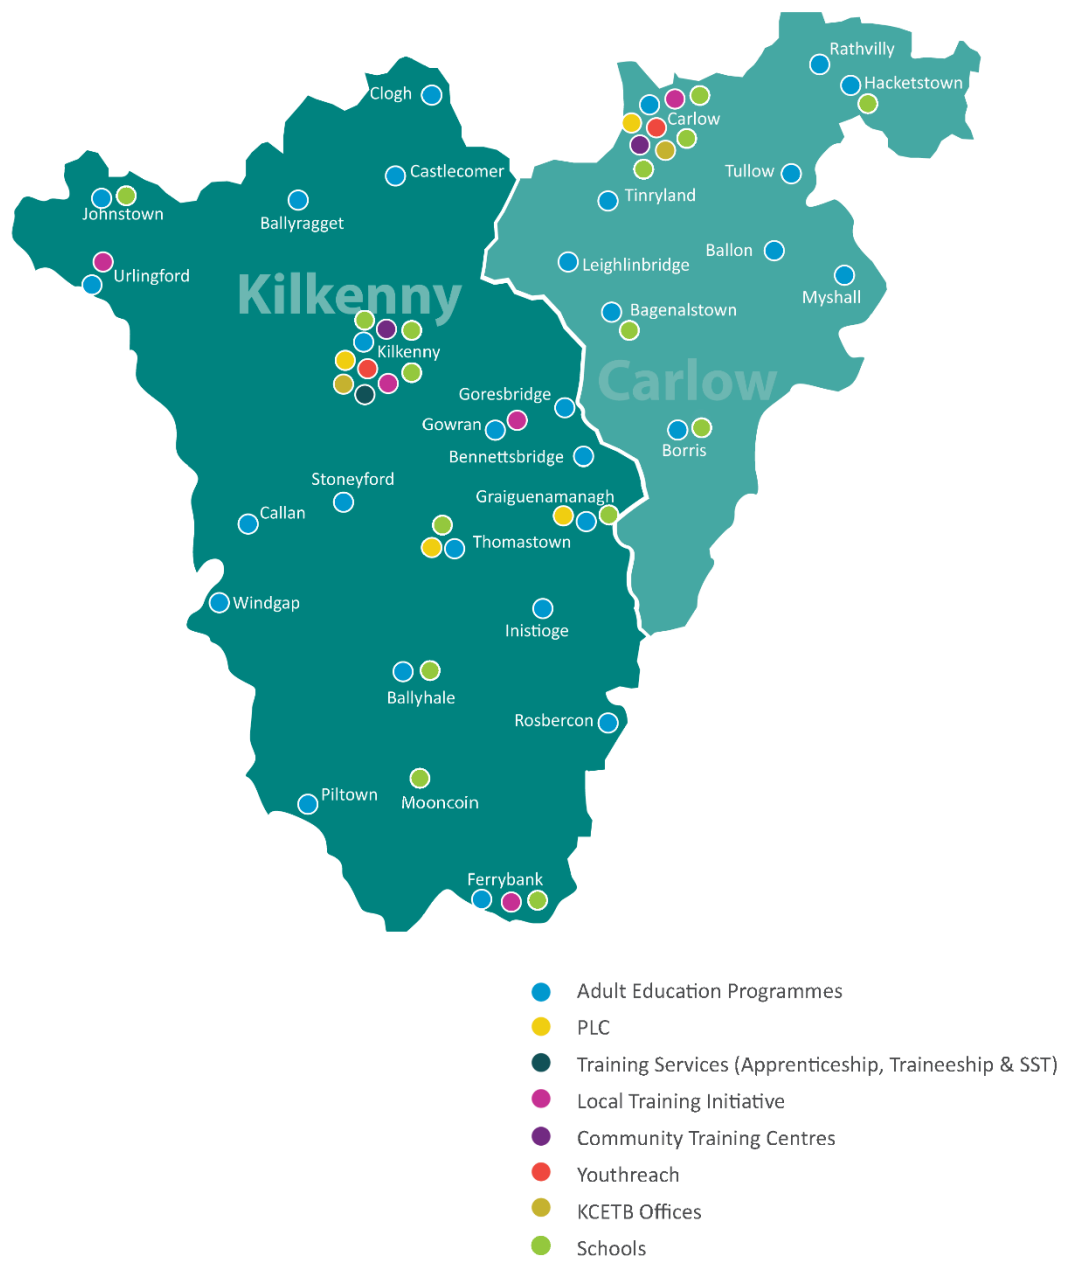

The services we provide include second-level education, Further Education and Training, and youth work support, in addition to other community-based education programmes and services, including Music Generation. Many services are delivered at local level.

The focus of our service is:

- Students and/or their parents/guardians
- Adult learners
- Communities throughout the two counties
- Young people and volunteers
- Voluntary and sporting organisations

### 3. Statement of Strategy

#### **Our mission**

To enable learners to reach their potential through education and to participate in the life of our area and of the country.

#### **Our vision**

To lead the development of high-quality education and training opportunities across Kilkenny and Carlow, engaging with learners and communities through all stages of lifelong learning.

#### **Our values**

KCETB is the largest provider of education, training and youth work opportunities in Kilkenny and Carlow. We recognise the importance of our role in our community and are aware of our responsibility to deliver high-quality services. Our work is underpinned by our core values:

##### **Value Learning**

We value learning and place the learner at the centre of our work. We believe that learning has the power to change lives and build communities.

##### **Aim for Excellence**

We aim for excellence in education and in the provision of all our services. We promote a culture of continuous improvement in our schools, centres and services.

##### **Build Relationships**

We build relationships with others that are collaborative and respectful. We recognise that working together is key to our success.

##### **Promote Openness**

We are accountable to others and promote openness and transparency. We know that as a public body we must maintain high standards.

##### **Enhance Community**

We recognise our role as a provider of services in our community. We are a learning organisation and work to enhance our community through our education, training and support services.

## **Strategic Themes**

### **Theme: Teaching, Learning and Quality Standards in Service**

Goal 1: Promote high-quality teaching, learning and service delivery standards, embracing new methodologies and innovative approaches.

### **Theme: Building influence, Driving Impact**

Goal 2: Build our influence, promote our services and extend our reach, making KCETB the quality option.

### **Theme: Our people and our team**

Goal 3: Build the leadership capacity and performance of our people and team by promoting a learning-for-all culture in KCETB.

### **Theme: Our organisation**

Goal 4: Build a strong, robust organisation with capacity and potential.

### **Theme: Partnership and Innovation**

Goal 5: Collaborate with our partners building evidence and insights for future learning and new models of service delivery.

This Service Plan is developed to support the implementation of KCETB's *Statement of Strategy 2022 - 2026*. While the Statement of Strategy sets out our priorities and aims over a five-year period, it is important that there is a process in place to support its delivery.

In developing the Service Plan, a consultation process was undertaken with senior managers across all areas of provision to ensure that the actions set out for delivery during the Service Plan cycle are consistent with the overall priorities and aims set out in the Statement of Strategy.

The consultation process also ensures that the outcomes set out for 2023 are achievable and are aligned to their respective areas of service provision.

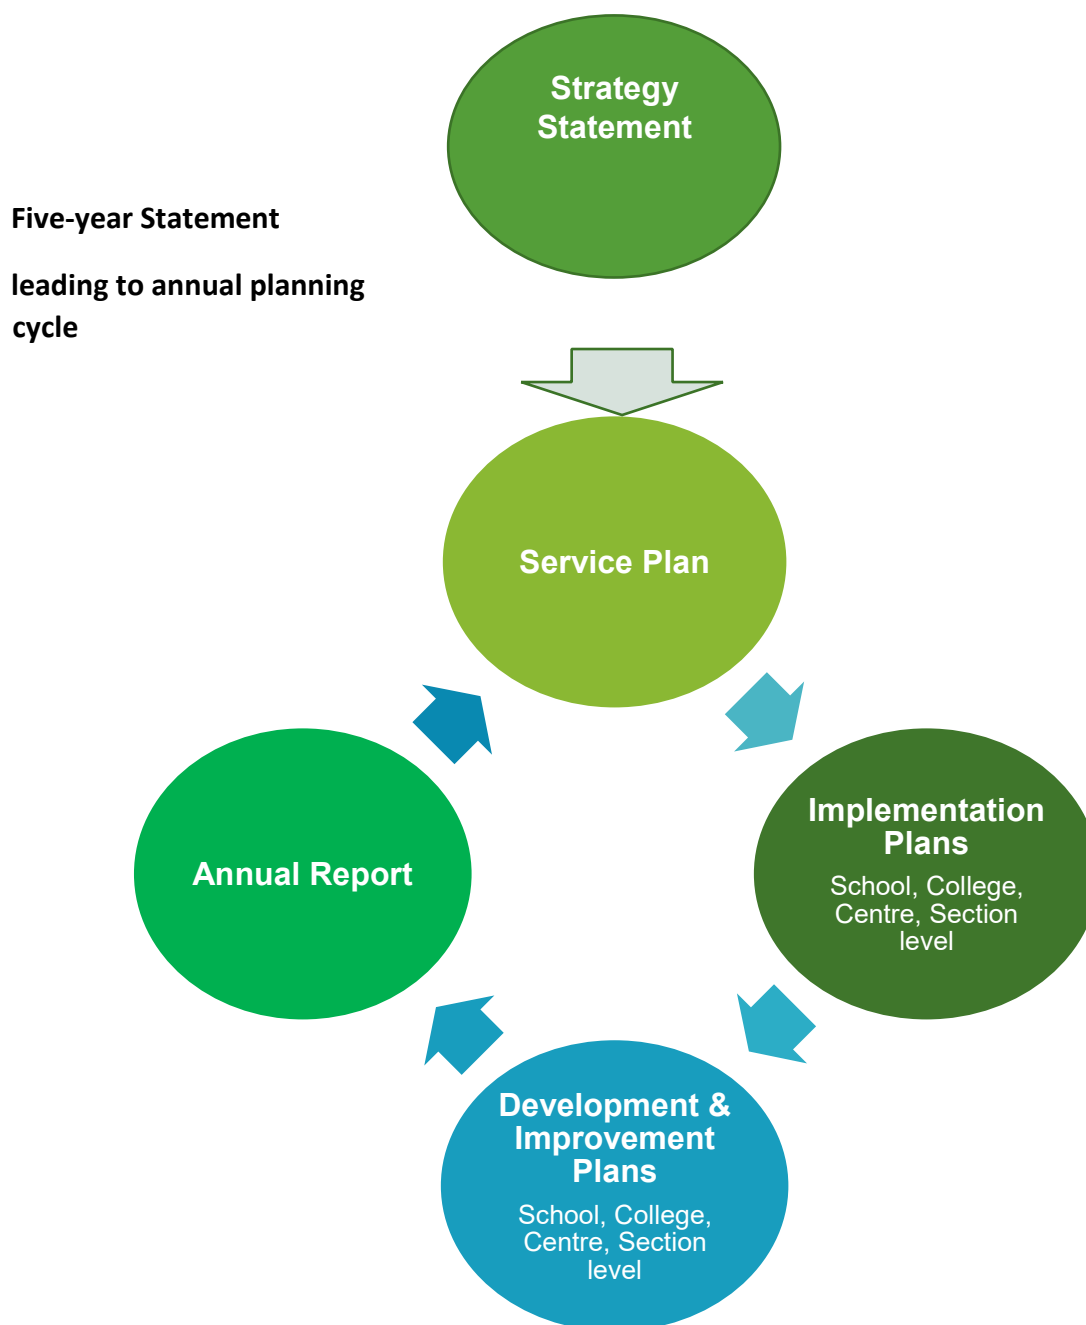

The following groups are in place to provide assistance, and/or resources, where required, to ensure that outcomes are delivered:

- Executive Management Team
- OSD Management Team
- FET Management Team
- Schools Management Team

These groups meet regularly and provide cross-sectoral support to the relevant director to facilitate the delivery of the Service Plan.

## Planning Cycle Workflow

It is important that the above process is utilised to ensure transparency, clarity of purpose and to keep a focus on actively working to deliver what we have set out to achieve over the lifetime of the Statement of Strategy.

## 5 Overview of Services 2023

### 5.1 Further Education and Training

Kilkenny and Carlow Education and Training Board (KCETB) provides a wide range of quality-assured, diverse Further Education and Training programmes through its FET Centres in Carlow and Kilkenny. Twenty individual programmes are funded through SOLAS, with other initiatives and services funded through DCEDIY and DES.

The FET Service offers full-time and part-time programmes accredited by QQI, City and Guilds, CIDESCO, ITEC and other awarding bodies. The FET Strategy, *Future FET: Transforming Learning 2020 – 2024* underpins the direction of KCETB's Further Education and Training Service for 2023 and beyond. In addition, Strategic Performance Agreements will highlight the areas of growth required to deliver the FET strategy priorities. The Adult Literacy for Life Strategy prioritises those individuals who are most distant from education and training and both adult literacy services are committed to delivering local programmes and initiatives to meet the objectives of the Strategy.

As employment increases in the region, employer and employee targeted programmes will enable support and reskilling for participants requiring opportunities to advance in their working lives. EXPLORE, Skills for Work and Skills to Advance all offer specific skills courses across both counties. The addition of eCollege to the FET suite of programmes offers choice through an online learning platform in various business, management and ICT subject areas.

KCETB's FET Service will work to maintain and enhance existing relationships with local, regional and national statutory and non-statutory agencies and stakeholders. Local and regional liaison groups present opportunities to highlight best practice and develop common agendas to further meet the programme and funding requirements of DFHERIS, SOLAS, KCETB and partner agencies.

KCETB continues to contribute to FET national sectoral goals, including:

- Supporting jobs: A 10% increase in employment outcomes from the 2019 baseline (with 50,000 places in Skills to Compete).
- Learning pathways: Progression from FET to HE to increase by 10% from the 2019 baseline.
- Facilitating inclusion/transversal skills: widening participation by 10% from the 2019 baseline in Adult Literacy for Life.
- Upskilling through life and careers: Lifelong Learning to increase by 10% from the 2019 baseline.
- Key skills needs: targeting key skills needs in the retrofitting and FET green skills, construction skills and apprenticeships.

The Adult Guidance and Information Service, Youth Services, and Music Generation all work with a diverse range of learners across a number of locations in Kilkenny and Carlow.

**5.2 Organisation Support and Development**

KCETB’s education and training services are supported by an executive and management team whose work underpins the delivery of education and training throughout our schools and centres. The Organisation Support and Development (OSD) team, under the Director of OSD, supports the chief executive in the delivery of corporate governance and the management of services in the areas below.

**Figure 5.2.1 – Organisation Support and Development**

The OSD Directorate aims to develop the appropriate structures and systems to achieve the highest quality services throughout the organisation and will strive to secure the appropriate resources necessary to deliver the Statement of Strategy.

## **Corporate Governance**

The Directorate of OSD has a significant role in corporate governance and compliance across the organisation. Governance frameworks for ensuring effective and appropriate risk management and compliance will continue to be enhanced in 2023. The following actions will be overseen by the Director of OSD in 2023:

- ❖ Governance and System of Internal Control
- ❖ Risk Management
- ❖ Risk Registers – Covid 19, Corporate, OSD, FET and Schools
- ❖ Audit Registers
- ❖ Assurance Declarations
- ❖ Compliance Report
- ❖ Governance and risk management briefings for staff
- ❖ Audit and Risk Committee
- ❖ Finance Committee
- ❖ Policy Management Framework
- ❖ Internal and external auditor engagement and facilitation
- ❖ Review of internal control mechanisms
- ❖ Board and committee training
- ❖ Blended working arrangements
- ❖ Business Continuity Planning

## **Corporate Services**

The Corporate Services department provides a range of supports and services across KCETB. The Corporate Service work programme includes the following:

### **❖ Capital and Buildings**

2023 will see further progress on the Kilkenny Schools Campus, a €40m+ project to build two post-primary schools on a green-field site as part of the development of the Bregagh Valley. Planning permission was granted in 2022.

Substantial additional and replacement accommodation projects have commenced at Borris Vocational School, Gaelcholáiste Cheatharlach, Coláiste Eoin and Coláiste Mhuire, Johnstown. Another project in the pipeline is the provision of additional accommodation for Grennan College, Thomastown.

Climate Action, Energy Management and Disability Access Building Programmes are due to commence in 2023.

The ongoing maintenance and management of KCETB owned and leased property will be reviewed to ensure efficient and effective use of public funds.

## 5.3 Schools

KCETB provides a comprehensive range of quality education programmes through its second-level schools designed to meet the needs of young people and adults. It has developed a range of educational provision to address the diverse and ever-changing demands of students and learners. Today, KCETB runs 13 second-level schools and a College of Further Education and Training that provides a broad-ranging curriculum and a range of post-leaving certificate courses. It has developed extensive partnerships at local level and provides a range of educational supports to enhance the quality of its school provision.

KCETB has responsibility for a total of 13 co-educational, multi- denominational second-level schools/colleges. They are:

- |   |                                   |
|---|-----------------------------------|
| • Abbey Community College Ferrybank     | • Duiske College, Graiguenamanagh |
| • Borris Vocational School              | • Gaelcholáiste Cheatharlach      |
| • Coláiste Cois Siúire, Mooncoin        | • Grennan College, Thomastown     |
| • Coláiste Eoin, Hacketstown            | • Kilkenny City Vocational School |
| • Coláiste Mhuire, Johnstown            | • Coláiste Aindriú, Bagenalstown  |
| • Coláiste Pobail Osraí, Cill Chainnigh | • Scoil Aireagail, Ballyhale      |
|   | • Tyndal College, Carlow          |

KCETB schools are state, co-educational, multi-denominational schools underpinned by the core values of: Excellence in Education; Care; Equality; Community and Respect.

As the state provider of education, the ETB sector defines a multi-denominational school in the following way:

In ETB schools, all students are given equal opportunities for enrolment in line with the Education (Admissions to School) Act 2018. Once enrolled, our schools strive to provide all students with equal opportunities to engage with the curriculum and school life. In all aspects of school life all members of our school communities are treated equitably regardless of their race, gender, religion/belief, age, family status, civil status, membership of the Traveller community, sexual orientation, ability or socio-economic status.

Our schools provide a safe physical and social environment that reinforces a sense of belonging to the school community and wider society. They strive to enable every student to realise their full potential, regardless of any aspect of their identity or background. Our schools promote a fully inclusive education that recognises the plurality of identities, beliefs and values held by students, parents and staff. We prepare open-minded, culturally sensitive and responsible citizens with a strong sense of shared values.

In ETB schools, students of all religions and beliefs are treated equally. The school environment and activities do not privilege any particular group over another whilst, at the same time, acknowledging and facilitating students of all religions and beliefs.

The aim of our second-level schools is to provide a quality, inclusive, holistic education that will enable each individual to reach his/her full potential so that they may lead a fulfilling life and contribute to the development of society. The school communities strive to achieve these aims by offering:

- an extensive curriculum, catering for the intellectual, physical, social and personal development of students
- a co-curricular education programme
- a pastoral care programme of support

The schools/colleges in KCETB were founded as a response to local educational needs and this tradition of meeting the needs of students is ever-present throughout the school community. The innovation and management of change is clear from the range of programmes on offer.

Partnership is also a key concept in the development of our schools/colleges and is apparent in our active Student Councils and Parents' Associations. We also work in partnership with other stakeholders, particularly in the youth, sport, religious, community development and business sectors to enhance the educational experiences of our students.

All schools offer the Junior Certificate and Leaving Certificate Programmes and a range of the following:
