However, as per Technical Guidance Document <b>TGD-007</b> : For projects with a Construction value equal to or greater than €2,500,000 (including VAT) Contracting Authorities may use either the <a href="#">Open Procedure</a> or the <a href="#">Restricted Procedure</a>. In general principle the Restricted Procedure should be used for larger and more complex projects. For smaller straight forward projects where the cost of Tendering will not be an undue burden on contractors the Open Procedure can be used.</p>	<p>All works over €50,000 should have prior approval of CE or Director with CE approval.</p> <p>All awards over €50,000 to be brought to the Finance Committee</p>
